

FINCHINGFIELD PARISH COUNCIL

REPRESENTING FINCHINGFIELD AND CORNISH HALL END

It has come to the attention of the council that the newly refurbished tennis court was left with broken glass lying on it.

The council's intention is to put up a single basketball net, so that one-on-one basketball can be played.

Whatever use is made of the court it must be left in a safe condition. That means: empty cartons; wrappers; and especially glass articles, whether whole or broken, should be placed in a litter bin and not left lying about.

The council relies on the users of the tennis court to behave in a social manner. Moderating their language and leaving the court safe and tidy after use.
