

## ACCESSIBILITY STATEMENT

Reviewed at the Parish Council Meeting of 31<sup>st</sup> October 2023

Finchingfield Parish Council is committed to providing a website that is accessible to as many users as possible – within our budget.

Here we have given our accessibility advice and our accessibility statement.

### **Using this website**

This website – [www.finchingfield-pc.gov.uk](http://www.finchingfield-pc.gov.uk) has been developed for Finchingfield Parish Council, using recognised web design standards and best practices.

We want as many people as possible to be able to use this website. For example, that means you should be able to:

- change colours, contrast levels and fonts
- zoom in up to 300% without the text spilling off the screen
- navigate most of the website using just a keyboard
- navigate most of the website using speech recognition software
- listen to most of the website using a screen reader (including the most recent versions of JAWS, NVDA and Voiceover)

We've also made the website text as simple as possible to understand.

For increased accessibility, to increase the size of text being displayed, or to change to black and white text to improve readability, please click on the little man at the right of the page.
